

**JS** cookies.js

```
1  function noNotifs(){
2      document.cookie="notifs=false";
3      alert("you'll now no longer get the notification every time you open my site");
4  }
5
6  function yesNotifs(){
7      document.cookie="notifs=true";
8      alert("you'll now get the notification every time you open my site");
9  }
10
11 function clear() {
12     var cookies = document.cookie.split(";");
13
14     for (var i = 0; i < cookies.length; i++) {
15         var cookie = cookies[i];
16         var eqPos = cookie.indexOf("=");
17         var name = eqPos > -1 ? cookie.substr(0, eqPos) : cookie;
18         document.cookie = name + ";expires=Thu, 01 Jan 1970 00:00:00 GMT";
19     }
20     alert("cleared!");
21 }
```
